**Form 1023 Part II, Question 3**

Describe the organizations fundraising program, both actual and planned.

To date, all fundraising has been done through membership dues and contributions within our current membership. We will begin our fundraising program upon receiving tax-exempt status under Section 501(c)(3).

1. Membership Drive - Plan: Establish a membership committee to recruit new members and retain existing members. Membership dues help support the organization.
2. United Way Representation - Plan: Contact United Way for representation and listing requirements.
3. Philanthropic Solicitation - Plan: Establish a small team to solicit contributions from area Philanthropists.
4. General Solicitation - Plan: Establish a team to solicit contributions from the general population. Word of mouth, e-mail, web site, and direct mail are vehicles for this activity.
5. Corporate Community Relations Solicitation - Plan: Establish a team to solicit support from area corporations. Personal visits, word of mouth, e-mail, web site, and direct mail are vehicles for this activity.
6. Annual PPASS MN Fund Raiser - Plan: A coordinated, once per year annual fund raiser by PPASS MN and its Chapters. May be coordinated with one or more of the above events.
